

You can now reserve a computer at Long Beach Public Library! Visit our homepage and follow the instructions listed below.

1. Click on the Reserve a PC button.
2. Select the date by choosing one from the drop-down field.
3. Select a group (computers in the Adult or Children's area) by choosing one from the drop-down field.
4. Enter your Long Beach Library Card. Example: p 12345
5. Entering your email is optional.
6. Click on the Login button.
7. Choose a Start time by choosing one from the drop-down field.
8. Click on Reserve. You will receive a confirmation from the system for the date and time of your reservation and the computer number you have been issued. Don't forget to click on Log Out.
9. If you need to Cancel your reservation you may do so by revisiting the same link and click on the Lookup reservation button and entering your Library card.
10. Don't forget to include the space in between the p and the barcode number.
11. Click on the Look up button.
12. To cancel reservation, click inside the "circle" next to the PC name and other info and then click the Cancel Reservation button.
13. Don't forget to click on Log Out.
