

Long Beach Public Library  
Summer Reading Program 2021 for  
Preschool Aged Children

**Preschool Story Time at the  
Harper McCaughan Town Green  
10:30 am – 11:00 am  
(Under the Pavilion)**

Registration from May 3 – June 11

Programs begin June 1, 2021

Our summer reading theme this year is Tails and Tales. This flyer focuses on the toddler/preschool aged group programs. So, if you are looking for programs for children already in school or for family programs you can all enjoy together, click [here](#).

**Welcome back to Preschool Story Time, everyone! You have been missed!**

We will be holding story time at the Harper McCaughan Town Green under the Pavilion on Tuesday mornings beginning June 1<sup>st</sup>, 2021 at our regular 10:30 am time. Story time at the Town Green will begin at 10:30 am, end at 11:00 am, and is geared for toddlers to preschool aged children. We will be reading a story, singing a song (or two), and children will be given a craft kit to take home.

**Registration for all participants will be required this year. This includes those attending preschool story time. If you wish for your child or children to participate you must fill out this form. Registering your child or children will help us to keep you informed if we need to reschedule due to weather and will also aid us in knowing how many take-home craft kits we will need to prepare ahead of time.**

Registration will begin on May 3, 2021 and end on June 11, 2021 for all Summer Reading Programs. The form can be completed in the children's department.

If you have any questions, don't forget that you can email me. I'll be happy to answer questions you might have.
